INSTRUCTIONS

94ACC0156 Scanner Holder (right side)

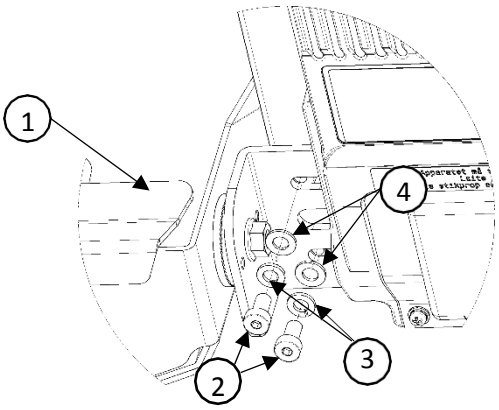

General Features

Extends the VMC with the possibility to store a scanner on the right side. The angle of the scanner holder can be modified due to ratchet discs.

The pack contains the following components:

1. 1 x scanner holder (right side)
2. 2 x M5x10 allen key
3. 2 x spring washers
4. 2 x washers
5. 1 x allen tool 4

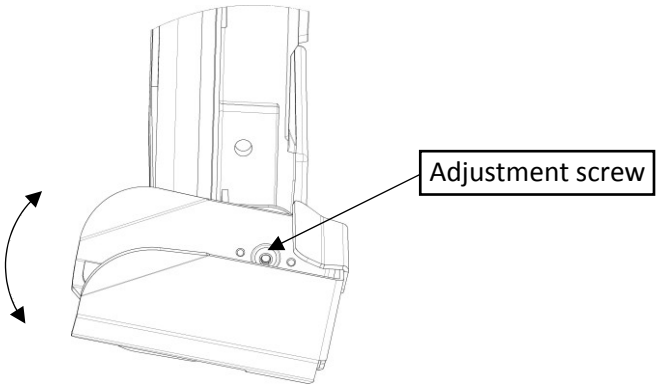

Assembling the scanner holder (right side) on the VMC

Assemble the scanner holder (right side) (2) with 2 screws (3) on the backside left of the VMC (1). Use a spring washer (4) and a washer (5) for each screw like shown in the picture and torque each screw with **6 Nm**.

Adjust the angle of the scanner holder (right side)

To adjust the angle of the scanner holder (right side) the adjustment screw must be opened with the help of the allen tool. After that, it is possible to adjust the angle of the scanner holder (right side) to the personal needs. Afterwards, fasten the screws with **10 Nm**.
